Attachment to the Advisory

The amendment submitted on 12/30/2003, although independent claims over the prior art

of GONZALES contain limitation of objected claims, such independent claims are still not

deemed allowable for following reasons.

Independent claims rejected by the prior art of GONZALES are in product by process

format, wherein the patentable weight is given to the product and not the process by which it is

made. Therefore incorporating limitation further narrowing the process did not render prior art

of GONZALES as inapplicable as a reference.

Any inquiry concerning this communication or earlier communications from the

examiner should be directed to Katarzyna Wyrozebski Lee whose telephone number is (571)

272-1127. The examiner can normally be reached on Mon-Thurs 6:30 AM-4:00 PM.
